Customer Reviews

This is a great book. It reveals how some societies have hidden the truth. St. Hildegard was a woman with great spiritual knowledge and the ability to help others with mental disease. Society kept her teaching a secret. I really enjoyed the book and recommend it to all.

I wanted to learn more about her, and find in this book, a lot more than I was waiting for.

Philosopher, healer, psychologist, mystic, musician. We also can elicit some social values beneficial for some women of the time, that soon would be erased, with the arise of the Santa Inquisition.

Clendenen has written an excellent both on Hildegard's incredible wisdom and the work of Carl Jung. An excellent exposition of the connection between spirituality and psychology.

All you would want to know about Hildegard.

a wonderful blend of information and inspiration.
