Love Writing: A Guide To Writing Romance

Synopsis

Written by National Bestselling Author Virna DePaul (www.virnadepaul.com), and USA Today Bestselling Author Tawny Weber (www.tawnyweber.com), *Love Writing* is a comprehensive resource intended to benefit both new and experienced writers. Although geared toward romance writers, the book can help writers of genre fiction in general. With a blend of humor, optimism, and realism, the book discusses ten critical writing concepts, as well as a step-by-step method for writing one's story. It also provides an unflinching look at the perils of pursuing publication and deconstructs a published romantic suspense book, *You Only Love Twice*, by Lori Wilde (focusing on theme, synopsis, turning points, scene and sequel, etc). Finally, the book defines terms and answers frequently asked questions, provides tips and worksheets to make the writing process easier, and focuses on the details of the authors' writing journeys and what they learned over several years. Both practical and inspiring, the book encourages writers to pursue their passion without attempting to diminish the challenges they will face.

For any romance writer, no matter what level you're at, this is an essential book. It's well organized

An essential book for every romance writer. This was clear and concise, with lots of great stuff: examples, how to etc. Helped me with lots of my writing issues, and inspiring too.
