Customer Reviews

OK, never done this but here goes! When this book was given to me 4 years ago by a woman, I was so depressed I was barely able to get out of bed in the mornings. I was broke, friendless nor could I maintain good friendships, could not find a good job nor hold one down... everything I touched withered. I read the book skeptically, being that, while I believe in god or a higher power, I am not into Jesus (don't want to offend anyone). OK, at first I said an affirmation/prayer in a joking "yeah right why not" way but it worked. Tried another and it worked. I realized in surprise something was working so started doing it more. My thinking began to change. Fast forward a few months I got and held a good job with WONDERFUL people. Made friends. In 2 years got promoted and a big raise, in 6 months another promotion and raise. Then I started realizing some lifelong dreams. I had felt

helpless but here I suddenly got my drivers license, bought a house, bought a car, all for the first time in my life. I got lots of cool furniture for the house as a gift from a neighbor, people have helped me in SO many ways and I've now given away 4 copies of this book to other people. It works. Period, end of story. HERE IS AN UPDATE IN 2013: I still often refer to this book. It always gets me back on track if I slip. It literally helps you out of any jam in life. Any situation, and any problem. Just pick up the book and read a page. It gives you the right way to think. It is a beautiful book, the only one I always turn to, it's always out on my coffee table, near at hand. And I gave away even more copies over the years.
