Public Policy: The Essential Readings (2nd Edition)

Synopsis

Updated in its 2nd edition, *Public Policy Analysis: The Essential Readings* presents a collection of 67 key classic and contemporary readings on public policy and public policy issues. Spanning a wide range of topics and issues, this text aims to introduce readers to the underpinnings and current practices of the policymaking arena. Selected readings are viewed as "essential" by the authors, in that some of them are generally argued to be among the most influential in the field, or among the most frequently cited.
