El Zohar X (Spanish Edition)

Synopsis

Rabi Simon Bar Iojai y sus alumnos analizan, investigan y desmenuzan los temas mas profundos y hermeticos de la existencia humana, tal como la creacion del mundo conocido y de todos los mundos espirituales que le precedieron, el origen, la conformacion de las almas y sus reencarnaciones, la vida despues de la muerte o el sentido de lo Masculino y lo Femenino. A traves de enseñanzas y relatos cargados de una fuerza vital impetuosa, la sola lectura de El Zohar modifica y transforma la vida de las personas, y constituye, sin duda alguna, la obra mas famosa del pensamiento místico universal, y de la Cabala en particular. / The Zohar is the most well-known work of the universal mystical thought, particularly of the Cabala. The author analyzes the deepest and hermetic topics of human existence. The Zohar makes the Biblical text come to life, brimming with mystical significance. Seemingly unimportant details and turns of phrase, which you may have read long ago and forgotten, lead to immense vistas of a mysterious world inside the world.
