Caste Book: Night

Synopsis

Thieves, tricksters and deadly killers, the Night Caste of the Solar Exalted are the wickedly cunning spies of the Unconquered Sun. Yet these shadowy avengers are more than mere cutthroats. With their dark powers and incredible skills, the Night Caste is a silent force for righteousness. Those who would scheme to evade the power of the sun should fear, for the shrouded blades of the Night Caste show no mercy. The Greatest Spies Creation Has Ever Seen Caste Book: Night is the next in a series for Exalted - books detailing the different character types of the Solars. Within its pages are all the secrets of the Night Caste, from their Charms of stealth and agility to their fragmentary memories of the First Age. The book contains new Charms, rules, spells and artifacts to help them carry out their holy mission.
