Longing And Belonging: The Complete John O'Donohue Audio Collection

Synopsis

The Complete Audio Archive of a Beloved Philosopher of the Heart John O'Donohue was a one-of-a-kind force of nature: a genius with words, a brilliant thinker, and a professional excavator of the soul. In the course of his extraordinary life, this Irish poet and teacher touched the hearts of millions with his unique blend of philosophy, instruction, and spiritual insight. For over a decade, Sounds True had the privilege of working with John, and *Longing and Belonging* presents the full collection of his recordings for both long-time listeners and those discovering his legacy for the first time. **Weaving Celtic Wisdom with Personal History** In the oral tradition so beloved of the Celts, John shares his intuitive approach to spirituality in programs such as *Anam _ara*, which explores Ireland's divine heritage; *Beauty: The Invisible Embrace*, which helps us illuminate the beauty we long for; and *A Celtic Pilgrimage*, a tour through the sacred landscape he called home. It is an odyssey into our common yearning for the magnificence of nature, for compassion, serenity, and hope, and for the "soul friends" who walk with us along the way. "John always said that the great miracle of life was not the turning of water into wine nor the parting of the Red Sea, but the fact that there was something rather than nothing," says David Whyte in his introduction. John O'Donohue was a man who rejoiced in all people and all existence, and with commemorating, full-length introductions by close friends Dr. Clarissa Pinkola Est s and David Whyte, as well as a special blessing card, *Longing and Belonging* celebrates the numerous gifts John shared with so many in his lifetime.

Even though I am only about 1/3 of the way through it I must say that I am immersed entirely. And now I want to savor it and make it last, but I will probably start listening again right when I get done. I commute to work so I have a nice long drive every day. I especially love his voice and his Irish accent, and he is very careful to speak extra clearly so the listener will understand every word. I bought his books years ago and never got through any of them, but knowing all along that I would return. For me, listening to him speak the books is working out much better. Not to over-dramatize, but this, I can tell, is life-changing. J.O. has gifted the world with an incredibly beautiful sense of wonder/understanding, freedom/direction, and soul. I'm listening, and my lips start to turn up at the sides with a spontaneous authentic smile generated from a feeling of warmth like a gentle and firm hug from a loving spirit guide.

John speaks & writes with skillfull insight, beauty, peacefulness and clarity. He refreshes the mind and soul with words that will forever keep his spirit alive.

This collection is great. It is "Anam Cara" on steroids! It is a wonderful blend of personal experience, Celtic beliefs, and spirituality. I would recommend this to anyone who wants to have a better understanding of the soul. The world lost a great Irish poet, philosopher, and teacher much too soon.

John O'Donohue is a wonderful audio collection and is worth the money. No matter what your Spiritual persuasion may be. The Poetry is lovely. This is a man the world lost too soon.

It is wonderful to have this complete collection to hear John O'Donohue's words in his own voice. Thankfully we still have his musings about life. He covers many topics in this large collection of his work.

Absolutely love these recordings. John is dead, and it is so wonderful to have his voice forever captured. No one else could convey his work as he does.

For those with ears to hear and who don't get caught up in the god language the authenticity is so complete one can do nothing but give thanks.
