ISBN-13: 978-0911333015

Product Dimensions: 0.8 x 8.5 x 10.8 inches

Shipping Weight: 1.8 pounds

Average Customer Review: 4.3 out of 5 starsÂ [See all reviewsÂ](#) (6 customer reviews)

Best Sellers Rank: #733,817 in Books (See Top 100 in Books) #6 inÂ Books > Reference > Writing, Research & Publishing Guides > Publishing & Books > Bibliographies & Indexes > Medicine

Customer Reviews

A must for any one using the National Archives, full of very helpful hints, dates, and other info on what is found at the Archives, this is a must book for all Genealogists, or Librarians that carries genealogy related material, well written and easy to understand, I would recommend to any one with an interest in genealogy.

I ordered this edition without checking the publication date and was disappointed with the 1986 edition. Much change has gone on in the National Archives and this older edition does not have up-to-date information. I have reviewed the more recent Guide to Genealogical Research in the National Archives, published in 2000 and find it a valuable resource.

It showed me things that I never knew that could be available in one building. There is a lot of material to be searched and looked through in order to find everything that applies to your ancestors, but it will be worth while to do. I would recommend this book to all genealogists libraries. Thank you. Karen Kay Ullom
