## Synopsis

Leadbeater attempts to answer the age-old question, which all aspirants to the occult sciences ask their teacher: How can I have those powers? He outlines different examples of the steps and the philosophy behind what the student will need to do in order to begin accessing the extraordinary powers they have within. In doing so, he doesn't limit the discussion to simply clairvoyance, but he touches on astral travel and other psychic powers.

## Customer Reviews

I turned to C W Leadbeater as his books were mentioned in Master Choa Kok Sui's. I am an avid believer in the soul and the divine spark and this book is an good introduction to some be who is interested in the occult.

This is a wonderful guide to finding the right focus and preparation for developing your mystical side. I highly recommend this book if that development is desired.

Every soul should go through these lessons
