Quran In English: Clear And Easy To Understand. Modern English Translation.

Synopsis

Perhaps the best Quran English translation. It is clear, easy to read, and very faithful to the Arabic original. It closely follows the Arabic text, and often reminds the reader of the Arabic original. It uses today's English language, and today's English vocabulary, thus it is easy to read and understand. The flow is smooth, the sentence structure is simple, the meaning is clear. This Quran translation has no interpretations, no footnotes, and no explanations. It is a pure translation of the Quran, from Arabic to English, and it does not try to emphasize any school of thought. The text purely and accurately translates the Holy Quran, from Arabic, into contemporary English. It was translated by a Muslim, who saw firsthand the miracles inside the Quran. His native language is Arabic; his everyday language is American English. For 15 years, he studied the Quran. For many years, he translated speech between his mother and his wife. For a living, he develops quality software. Available in two editions. This edition (B) uses the word 'God' to refer to the Creator. Edition A uses the word 'Allah' CHAPTER 81. The Rolling. at-Takwir. In the name of God, the Gracious, the Merciful. 1. When the sun is rolled up. 2. When the stars are dimmed. 3. When the mountains are set in motion. 4. When the relationships are suspended. 5. When the beasts are gathered. 6. When the oceans are set aflame. 7. When the souls are paired. 8. When the girl, buried alive, is asked: 9. For what crime was she killed? 10. When the records are made public. 11. When the sky is peeled away. 12. When the Fire is set ablaze. 13. When Paradise is brought near. 14. Each soul will know what it has readied. 15. I swear by the galaxies. 16. Precisely running their courses. 17. And by the night as it recedes. 18. And by the morn as it breathes. 19. This is the speech of a noble messenger. 20. Endowed with power, eminent with the Lord of the Throne. 21. Obeyed and honest. 22. Your friend is not possessed. 23. He saw him on the luminous horizon. 24. And He does not withhold knowledge of the Unseen. 25. And it is not the word of an accursed devil. 26. So where are you heading? 27. It is only a Reminder to all mankind. 28. To whoever of you wills to go straight. 29. But you cannot will, unless God wills- The Lord of the Worlds. The Quran is the last Book from the Creator. It contains guidance, mercy, and healing. The Quran is a blessing, within reach.

I had been looking for a translation that was English text only, and without sidenotes or footnotes. And most importantly, something that read well and was easy to digest. I came across this version on a few sites, although I was a bit skeptical at first, I gave it a shot and I am pleased. It's well written, and is easy to understand. There are a few spelling mistakes along the way, but nothing major. The only criticism I would have is that the pages don't have the chapter's name and number written on the header or footer. Some of the chapters are very long and after awhile it's hard to know which chapter you're on without having to go back and see the start. If the author would update this, this would easily be a 5-star for me.

I really enjoy this rendition, as it is easy to read - and consistent with contemporary American English. Many Quran translations are laden with footnotes, parenthetical contextualizations, and lengthy intro's by the author - this is free of all those things! I highly recommend it to new, and seasoned Quran readers alike!

I studied 62 Qur'an translation. The easiest to read and to understand is with no doubt Talal Itani's translation Quran in English. The language used is modern English that can be easily understood by a high school level of education. As faithful as possible to the original Arabic. I highly recommend it to anyone interested in learning more about Muslims and their Holy Book.

I recommend this English version of the Qur'an. Whether you are a devout Muslim who only speaks English or if you are interested in reading an English translation of the Holy Qur'an this book is translated beautifully. I have read other translations of the Qur'an and this one is my favorite. The words are clear and precise giving you an English translation of the Qur'an that is easy to understand.

I feel that, in these times, we should be informed about Islam and a good place to start is to read

their primary holy book. I understand that it is only an English translation and should be read in it's original text. But I believe this is an acceptable alternative.

Excellent work Sir.very easy to understand .Today's world needs is modern English rather than classical English.I will recommend this book.

Easy to read but much of the controversial stuff has been removed or glossed over or altered to make it inoffensive to westerners.

Thomas Jefferson Highly recommended we all, as Americans, read the Quran in order to know the truth about Muslims, Moors, Islam, Barbary Coast Wars, and their hatred for Christians & Jews. In that context, I also recommend everyone read this.
