Josephine Tey: A Life

Synopsis

Josephine Tey was the pen-name of Elizabeth MacKintosh (1896-1952). Born in Inverness, MacKintosh lived several 'lives': best known as Golden Age of Crime Fiction writer 'Josephine Tey', she was also successful novelist and playwright 'Gordon Daviot'. At one point, she had plays performed simultaneously in the West End in London and on Broadway, and even wrote for Hollywood - all from her home in the north of Scotland. Foreword by Val McDermid. ""One of the great achievements of this biography is Ms. Henderson's demonstration that her subject led a deeper romantic life than had been supposed.... Reveals the moving story of Elizabeth MacKintosh's life with tact and superior investigative tenacity.""-The Wall Street Journal

Book Information

Paperback: 482 pages

Publisher: Sandstone Press (April 30, 2016)

Language: English

ISBN-10: 1910985376

Customer Reviews

I have long hoped for such a biography. I did hope for some identification of some of the characters in "To Love & Be Wise" with real-life people---for example Weekley & Toby.

It's great to learn more about one of my favorite authors. But the book is strangely repetitive and doesn't seem to have much of an organizing principle. It could have used an editor who could negotiate the author's passion for minute detail. Reading this book turned into a slog through dates and extended exposition. But I persevered because this is the only way to get a fuller view of a writer who deserves more attention.

great book

a scholarly biography of a forgotten writer
